

God, How can you use me when I am in this situation?

Hebrews 11

September 13, 2015

When God uses someone, He usually puts them where he wants them to be

What characters in the bible had it easy in their life?

Let's play the matching game:

	SITUATION
1	Prisoner and Slave
2	Privileged Early Life
3	Lived in an Evil City
4	Orphaned
5	Attacked for their faith
6	Lived in a wicked world
7	Lived as a foreigner
8	Chased by a whole army
9	Swindled by his relatives
10	Lived as a Prostitute
11	Was a Homeless Person
12	Barren to an old age

CHARACTER	
Sarah	A

Which of these situations can you relate to in your life?

Has God put you anywhere near one of these types of situations?

Why did God put these people in the situations that they were in?

How are you reacting to God about the situation you are in?

- Despondent that God does not hear you?
- Paralyzed because you don't think you belong there?
- Spending your energy on trying to change your situation rather than looking for the opportunities that God is placing before you?

Quit thinking about your "Situation" and just do what is right in God's eyes

Serve God where you are because nobody else may be there to do it

Look for opportunities to serve God where you currently are and not where you want to be

If you want to be out of your current situation, finish the work that God has for you here and He may put you in a new situation to work for Him there
