Introduction

*Choosing to be thankful*

God delights in thankfulness. Leviticus 7:11-15

1. It was a choice.
2. It was offered with genuineness.
3. It was done in response to a promise.
4. It was unblemished.
5. It was the only offering eaten by lay people.
6. It was to be eaten on same day.

God creates space in worship for thankfulness.  
Therefore, God delights in it.
